"COVID-19 vaccination clinic plans are ongoing but I do want to reiterate that our hospitals in Cameron County are at capacity, and the daily COVID-19 case count is steadily increasing. I ask everyone to please remain calm and continue with the safeguards and best practices in place. Always utilize a facial covering when out in public, socially distance, and utilize health and sanitation protocols. To date, we have held five Cameron County COVID-19 vaccination clinics and plans are currently ongoing for additional clinics once we receive the additional vaccination doses. To all County employees, please continue to utilize health and sanitation protocols when out in public to prevent the spread of COVID-19 both at work and at home," stated Cameron County Judge Eddie Treviño, Jr.
